ROLL CALL

Present:

Mayor Morillas
Councilmember Calvert
Councilmember Liss
Councilmember Scherer
Councilmember Ucovich

STATEMENT OF ACTION TAKEN DURING CLOSED SESSION

a. No action taken.

MATTERS OF INTEREST TO COUNCILMEMBERS/FUTURE AGENDA ITEMS

Jenny Knisley, 4135 Hunters Drive, stated the following:

- session 1 had 43 children take swimming lessons
- session 2 had 48 children take swimming lessons
- the first two weeks of open swim had about 270 attend (closed two days because of rain)
- she thanked the Council for having this program

Joie-Lynn Howard, swimming instructor, said she teaches the beginning swimming class and helps with the open swim and snack bar.

Jessika Bunce, Lifeguard and swim instructor, said she also teaches the beginning swimming classes and oversees the lifeguards.

Sam Baker, Lifeguard and swim instructor, said he teaches the intermediate and advance classes.

Councilmember Ucovich stated these people do a wonderful job in teaching the children and thanked them.

Sandra Calvert stated the following:

- she would like to have guidelines for decorum put on an agenda for the Council and the public to understand and review
- she is involved with Mayor Johnson in Sacramento on, "Think Big" and they are looking for citizens to be "citizen architects"
- anyone can go to "thankbigsacramento.com" by July 18th

Councilmember Scherer stated the following:

- he met with Steve Davis from the Park, Recreation and Open Space Committee and they gave a brief presentation at the Loomis Sunset Rotary Club
- they discussed the potential water feature for the downtown park
- they will be approaching the other two Rotary Clubs that meet in Loomis to see if all three can sponsor the water feature by seeking Rotary grants and raising local funds

Councilmember Liss stated the following:

- July 22nd is the deadline for the Town Manager position, he encouraged people to help get the word out
- he would like to have on a future meeting the sign ordinance status and look at how we are doing compared to other communities
- he asked staff to develop a list of community projects where help is needed and formalize it so everyone can contribute to it

All items on the agenda will be open for public comment before final action is taken. Speakers are requested to restrict comments to the item as it appears on the agenda and stay within a five-minute time limit. The Mayor has the discretion of limiting the total discussion time for an item.

Written Material Introduced Into the Record: Citizens wishing to introduce written material into the record at the public hearing on any item are requested to provide a copy of the written material to the Town Clerk prior to the public hearing date so that the material may be distributed to the Town Council prior to the public hearing.

PUBLIC COMMENT: This time is reserved for those in the audience who wish to address the Town Council on subjects that are not on the Agenda. The audience should be aware that the Council may not discuss details or vote on non-agenda items. Your concerns may be referred to staff or placed on the next available agenda. Please note that comments from the public will also be taken on any item on the agenda. The time allotted to each speaker may be limited to five minutes or less, at the discretion of the Mayor.

Jo Carol Arisman, 6160 Rachel Lane, stated the following:

- thanked Mayor Morillas, Perry Beck, Matt Lopez and Lieutenant Woo for getting rid of the car on Rachel Lane
- the car was a horrible reminder of the three murders on their street

Tom Osborn, 5581 Mont Clair Lane, stated the following:

- asked the Council to consider, for a future agenda item, an amendment to the General Plan regarding entry gates into subdivisions
- they were led to believe that an entry gate was included with the subdivision
- this is to protect their families, they have had over 10 instances in the last eighteen months of vandalism

Debbie Shores, 9291 Tanglewood Way, thanked Council for keeping the traffic officer.

Bill Branch, 6605 Wells Avenue, stated the following:

- he urged Council to think long and hard before changing the Town's position on closed subdivisions and gates
- in the early years of Loomis it was decided that closed off subdivisions defeats a feeling of community and leads to a feeling of Elitism

ADOPTION OF AGENDA: Council will typically adopt the agenda in the order listed or modify the order in a way that can best accommodate the time of people in attendance who wish to speak on particular items.

A motion was made to adopt the Agenda. On motion by Councilmember Ucovich, seconded by Councilmember Calvert and passed by voice vote.

OPPORTUNITY TO COMMENT ON CONSENT CALENDAR: All items listed under the Consent Agenda are considered by the Council to be routine in nature and will be enacted by one motion unless an audience member or Councilmember requests otherwise, in which case, the item will be removed for separate consideration.

A motion was made to adopt the Consent Agenda, pulling item 3 forward for discussion. On motion by Councilmember Ucovich, seconded by Councilmember Calvert and passed by voice vote.

BUSINESS

- 11 **Content, Creation and Distribution Expo Update**

Peter Oakes, Loomis resident, will give an update on the Content, Creation and Distribution project that he is organizing for September 16 and 17, 2011 in Loomis

Recommended action: Hear presentation and give direction to staff if needed.

Public comment:

Peter Oakes gave an update on the Content, Creation and Distribution project and answered questions on the following:

- they are working with eight colleges that will be providing students and equipment to set up and run
- they will be having a general meeting Saturday at the Roseville Tower Theater
- they are working with various networks and 35 local businesses
- they will be advertising as far as Chico, Reno, and Modesto

No public comment.

No direction was given, receive and file.

12. **Blue Anchor Park Dedication Plaque**

Consider preparing a plaque to memorialize a Town facility construction such as the Blue Anchor Park

Recommended action: Decide whether or not to prepare a plaque and if so approve wording and determine whether there is a favored spot and/or method to display the plaque

Public comment:

Debbie Shores asked how much this plaque will cost and where is the money coming from?

Mayor Morillas pointed out that in the staff report it states that the plaque will run under \$1000 plus about \$500 if set in stone and the money will come from the Park Development Fund.

Nancy Beck, 6304 David Avenue, stated the following:

- she suggested dedicating to the members and the families of the Blue Anchor Fruit Shed, who made it what it was
- she is hoping to see, one day, the Blue Anchor Label where the shade structure is and suggested asking the art students at Del Oro to take on this project

Jean Wilson, 4301 Barton Road, stated the following:

- she likes the idea of "in memory of the Blue Anchor Fruit Shed" and having a history of the Blue Anchor Fruit Shed on the plaque
- she suggested taking off some of the names

Pat Miller, 4395 Gold Trail Way, stated she heard the original Blue Anchor sign exists and suggested looking into having it put on the shade structure.

Perry Ollie, 6800 English Colony in Penryn, stated the following:

- his Grandfather and his Uncle use to run the fruit sheds here and he is a fourth generation
- he suggested putting the date when it was built, who was in charge, and only historical information on the plaque

Jenny Knisley, PROSC member, questioned why the PROSC is asked to get funds to do improvements in the park and then are not included in this.

Councilmember Ucovich suggested having a lithograph on the plaque of what the shed looked like and contacting the State Department of Parks and Recreation to attend a meeting.

Councilmember Scherer suggested having the Park, Recreation and Open Space Committee meet with the Historical Society to discuss what should be on the plaque.

Councilmember Liss suggested putting historical information on the plaque and see if we can get the Blue Anchor sign to put on the shade structure.

Mayor Morillas stated she was on the Historical Society committee and suggested having PROS Committee come to their meeting on Wednesday (July 20th) to discuss the plaque.

Following further discussion on the matter, a motion was made to ask representatives of the PROS Committee to meet with the Historical Society; take that information to the PROS Committee to come back with a recommendation on the wording, composition and design on the plaque; and/or any other item (the original Blue Anchor sign, if available) we want to use to commemorate the history of the Blue Anchor shed in the Blue Anchor park. On motion by Councilmember Scherer, seconded by Councilmember Liss and following was discussion on the motion:

Councilmember Ucovich suggested contacting the State Department of Parks and Recreation and asking them to come to the meeting to give input on the signage.

The motion was amended to include inviting a representative from the California State Department of Parks and Recreation to attend the PROSC meeting for input on the signage. Passed by voice vote (5/0).

13. Voting Delegates To League Conference

The League of California Cities Conference in September 2011 will include League business and cities are asked to appoint voting delegates to conduct that business

Recommended action: Appoint a voting delegate and alternate to act on behalf of the Town
Public comment:

No public comment.

Following further discussion on the motion, a motion was made to appoint Councilmember Calvert as the voting delegate and Councilmember Ucovich as the alternate at the League of California Cities Conference in September. On motion by Councilmember Ucovich, seconded by Councilmember Calvert and passed by voice vote.

14. Code Enforcement Processing

Council wanted to evaluate how codes were enforced and maybe insert itself into the process beyond its role as an appeal body

Recommended action: Discuss and determine what things in code enforcement Council would like to see changed

Public comment:

Sonja Cupler, 5630 Tudor Way, stated that if Council is involved in the code enforcement process than how will they be fair and unbiased if someone has to appeal an issue?

Debbie Shores said she has the same concerns of being fair and unbiased for appeals.

Councilmember Liss stated the following:

- he clarified that the issue is not as stated in the staff report, "that Council wants to insert itself into the process beyond its role as an appeal body"
- there was never any request for that, nor interest in doing that, and not the intent of the Council
- there is a real issue of how do we insure that the conditions that were adopted by the Planning Commission get implemented successfully
- he wants to send a clear signal that this Council is committed to implementing what we adopt
- he would like to know how the conditions are implemented on enforcement issues, the training of staff who are involved, if it is reviewed regularly in staff meetings, monthly update reports to the Council and if anyone is tracking all of that
- he would like PROSC involved in the open space issues because the parks, trees and open space preservation has not been adequately addressed in code enforcement

Councilmember Scherer stated the following:

- he asked that the minutes reflect that the staff report is amended to read: "As a goal, Council wanted to evaluate how codes were enforced" (delete the rest of the sentence)
- some of those that have been on the Council for a long time are fairly comfortable on how things have been going
- there are new members on the Council that perhaps are not as familiar with the enforcement of process and procedures
- he suggested having Jeff Mitchell, new Town Attorney, take a look at the entire process our code and maybe make a recommendation
- suggested re-instating the monthly report that Council use to receive on code enforcement

Councilmember Ucovich stated that we need to have a system set up to make sure development projects follow through on what staff has approved.

Councilmember Calvert asked if this was something that the Planning Commission could be included in as well as the Park, Recreation and Open Space Committee?

Jeff Mitchell, Town Attorney, stated the following:

- typically the Planning Commission is not involved in code enforcement
- he is hearing two issues: 1) a more general review of code enforcement- ordinance and process, to see what changes might be incorporated to streamline the process and spell out more clearly; and 2) what is not traditionally called as code enforcement, enforcement of subdivision map conditions, use permit conditions, planning permit conditions, and the process the Town uses to ensure those are being followed through (mitigation monitoring)

15. **Downtown Parking Requirements**

Councilmember Ucovich would like to discuss downtown parking requirements and changes that may be needed to accomplish some purpose

Recommended action: Discuss and direct staff

Public comment:

Councilmember Ucovich withdrew his request to discuss this item.

No public comment.

16. **Planning Commission Notice Guidelines**

Councilmember Liss asked to review the noticing guidelines that the Planning Commission recently approved

Recommended action: Discuss and direct staff

Councilmember Liss asked if they could do something different for the RA zone because the 600 foot radius noticing doesn't do enough for the Priory Project.

Jean Wilson pointed out the following:

- this came up because of the Lazarus project, people behind the project felt there wasn't adequate notification
- for the Priory, the Planning Department felt it was important to notice the entire South side of Loomis rather than just the radius of 600 feet

Janet Thew, 5572 St. Francis Circle, stated the signs onsite are not always very visible, they could be larger, better anchored in the ground, and brightly colored.

Sonja Cupler stated the following:

- some of the people that received notices had no idea what it was about until they came to a meeting
- she asked Council to make sure the notice is in laymans terms

Nancy Beck stated the following:

- they have talked about larger radius for all neighborhoods, not just the RA zone
- the bulletins have to be assessable to the public

Perry Ollie stated that in order to maintain a small town atmosphere there shouldn't be gated communities.

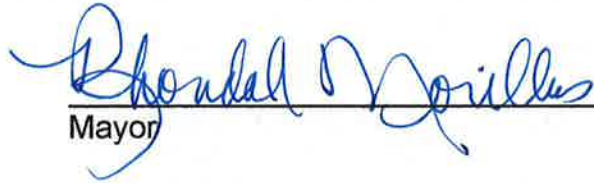

Following further discussion on the matter, a motion was made to direct staff to: post signs so they are better assessable and more durable; include the Town website in larger lettering and in clear English (layman's terms); notice all zones the minimum of 100 closest properties and any that are significantly impacted, Planning Commission will determine whether to enlarge the radius. On motion by Councilmember Calvert, seconded by Councilmember Scherer and passed by voice vote.
